

Application Form

Accelerator Program

Thank you for your interest in participating in this program. If accepted, you will join a group of startup teams representing our region's next wave of emerging innovators. You will better understand how the commercialisation journey can be made faster, easier and more successful.

The information gathered in this application will remain confidential and may be used to prepare an application for funding from the Australian Government's Incubator Support Initiative. Email completed application to gordon@businesscentre.com.au
